

The large tiles are not only purely aesthetic due to its dimensions, but also due to its multiple & dynamic effects, and jointless large surface.

This new collection put forward in 2022 showcases beauty beyond natural. It enhances the beauty of nature and lets people connect to nature through their homely surroundings.

The large tiles are not only purely aesthetic due to their dimensions, but also due to their multiple & dynamic effects, and jointless large surface. Dimensions of the large tiles are not the only benefit, there is a certain continuation in hues and patterns due to its size that brings a look of magnificence and brilliance. The tiles illuminate the whole space with their dynamic effects of textures and shades, and also connect the onlooker or the audience with 2 aspects - timeless and flawless, just like how nature surrounding us is.

A melange of design and colour in a tile instills different emotions and characteristics. It can gratify the onlooker in a state of marvel and mesmerize through its intricate textures, feel, and appealing look. Certain emotions of luxury, enthusiasm, joy, serenity, and more can be instilled through this collection of large tiles.

**The beauty of tile with applying exotic ambiance
Is indescribable in words.**

TRANCE COFEE

100% Recyclable, Biodegradable, & made from recycled materials.

Our products are manufactured and processed under state-of-the-art technology and upgraded advancements. Maintaining the top-notch quality of our large tiles is what we excel at which brings forward such quality that defines brilliance and excellence. Not only the material and technology but strict controls and management are also introduced at our factory and office locations.

We have a team of experts on board along with infrastructure who work with strong determination to fulfill customers' expectations and demands. When we submit the promise of durability, we mean it. We develop finest of the tiles in our state-of-the-art manufacturing unit that has got best in class types of machinery and equipment.
